THOUGHTS FROM THE PUBLISHER

I want to thank all of the advertisers in this Special Edition for their support. I also ask each of you to let our advertisers know that you saw them in the Guide!

Don't forget - all of our books are available online about a week in advance of the Event. So visit our website at www.BikersPocketGuide.com when you begin to plan your trip. See you in spring 2011.

In closing, my usual speech - don't be draggin' down 17 revving your pipes - you might end up with free room and board instead of wherever else you were staying! If you've had a little too much to drink, park that bike and get a taxi. Think before you drink... and don't leave those drinks unattended. The Bartenders job doesn't include babysitting your drink. They work really hard to make your vacation unforgettable, so don't forget to take care of your bartenders and servers.

And - Hooray! No Helmet Law! We Won! Remember - rubber side down, shiny side up.

PS - Lots of love to Ronnie and Robin.

~ Ron Martin
